THE PARTICULARS ARE (If additional paper is needed, attach extra sheet(s)): <p>I am an individual with a permanent disability. I am currently employed by Miami-Dade County Public Schools. During the 2020-2021 school year, I requested to teach from home as the district allowed teachers with disabilities to work from home. During and after being accommodated, my Principal, Pierre Edouard subjected me to ongoing harassment. In addition to the ongoing, intentional bullying I have experienced, Mr. Edouard filed a Title IX complaint with the regional office stating that I told students, faculty, staff, parents and District employees that he is gay. This is false. On December 14, 2022, the Title IX case closing letter was sent to me. The investigators found that I was NOT RESPONSIBLE. In addition, on or about December 14, 2022, Ms. Robbio, the new guidance counselor and a member of the principal's leadership team, wrote and printed a petition and directed the students to pass it around to each class to retrieve signatures. In the petition, she requested that I be removed from the school. I complained to the regional office and requested an investigation of the petition on December 15, 2022. Unbeknownst to me, on December 16, 2022, in retaliation for complaining an investigation against me was initiated because I spoke to students about the petition. On Saturday, December 17, outside of regular work hours, I received a call from my principal advising me to report to the Central Region office on Monday. I was under the impression that I was meeting to discuss the petition that was written about me, the violation my rights and violation of Code of Ethics 3210. A. 22</p>
